## **ACKNOWLEDGEMENTS**

In completing this semester 1 project, I have been fortunate to have help, support and encouragement from many people. I would like to acknowledge them for their attributions to my project.

First and foremost, I'm deeply thankful to Mr Eche, our Instructor at Aptech Ota, for his magnificent guidance given to me and my fellow mates during this project work. I am also thankful for his continuous reviews and feedback during the course of this project.

I would like to thank other Instructors for their contributions and criticisms received during the course of the project, it helped to rectify our mistakes.

I would also like to thank Aptech team for a chance at attempting such a project. The experience was mind-blowing.
